Dear Postmaster:

As a result of a Memorandum of Understanding (MOU) negotiated with the American Postal Workers Union (APWU) the Reduction in Force (RIF) separation date for all remaining impacted POSStPlan Postmasters in 2, 4, and 6-hour offices has been extended until February 6, 2015. The effective date of RIF demotions and voluntary reassignments is now February 7, 2015.

**Offices re-evaluated to 4-hour per day RMPOs:** If your office has been re-evaluated to a 4-hour per day Remotely Managed Post Office (RMPO), you have the following new option: accept an assignment offer if available effective February 7, 2015, to a career part-time flexible clerk position that will staff your current office or another office as identified by the Postal Service.

**Offices re-evaluated to 2-hour per day RMPOs:** If your office has been reevaluated to a 2-hour per day RMPO, you have the following new option: accept an assignment offer, effective February 7, 2015, to a career part-time flexible clerk position that will staff an office as identified by the Postal Service.

Further information about the options for impacted Postmasters whose offices have been reevaluated to 2- or 4-hour RMPOs, including how to accept the assignment offer; your pay and work schedule if you accept the offer, will be provided to you in the coming days.

The effective date for reassignments to the Postmaster (RMPO) or (PTPO), PTPM-56 position in 6 hour RMPOs and PTPOs has changed to February 7, 2015. If you already sent in your acceptance form, you do not need to take any further action at this time.

All separations, including optional retirement and RIF separation with or without discontinued service retirement, will be effective Friday, February 6, 2015. If you submitted a retirement action, effective January 9, the Human Resources Shared Service Center (HRSSC) will reach out to you directly.

If you have any additional questions, please contact your District Human Resources Manager or Manager, Post Office Operations.

Sincerely,
